

Happy Independence & Pioneer Days from Selling Salt Lake

July is here again, and much like every year, there's so much to celebrate! From the national pride of Independence Day to the local pride of Pioneer Day, there's bound to be fireworks all month long! Now, we can't exactly ship you fireworks to celebrate — that seems a little irresponsible — but we can send you some 'fireworks' for your mouth with Pop Rocks! Save them for the 4th or 24th, or eat them now... celebrate your own way!

And if you're looking to celebrate a future move, we've got you covered there too! Simply give us a call to talk about your realty needs and we're sure to find an option that fits exactly what you're looking for. And not just with residential real estate, but with commercial and business too! If you, your friends, or your colleagues are in need of help with your real estate portfolio, don't hesitate to let me know, and I'll be happy to treat them with the same level of professional, friendly care you've come to expect.

As always, thank you for being a part of the Selling Salt Lake family!
